**Sub: Complaint about Timarpur Parking's new Contractor Mr. Ashok Kumar for harassing to Traders/workshop/Repairers and visitors**

**Ref: F2/TWA/2023/209 dt. 19.06.2023**

In reference to the above mentioned subject matter, a letter from Traders Welfare Association Truck Parking, Timarpur received in this office on 21.06.2023 regarding complaint against contractor engaged by MCD for running parking in ITPC Timarpur for overcharging of parking fee & parking of vehicles more than the capacity of the parking area that was allotted to the contractor by MCD. As per complaint MCD has allotted a total area of 17227 sqm (184 buses/trucks/tempo travellers and 58 four-wheelers) for parking in ITPC Timarpur but parking contractor parking near about 350 vehicles which blocks roads/footpaths for free movement of vehicles and results in traffic jam in the premises of ITPC Timarpur. Also a higher parking fee is being charged by the contractor for the vehicles coming to ITPC Timarpur for repairs & transporting goods to/from shops in the premises and contractor staff misbehaves with shop owners if they complained about traffic jam caused due to parking of vehicles on road.

Site staff visited the site and found that about more than 330 vehicles were parked on the parking area & roads and vehicles were also parked on the area of other than 17227 sqm. Also, the contractor not regularly cleaning the parking area and lot of garbage and refuse is piled up the parking area.

You are requested to take necessary action and resolve the issues of overcharging of parking fee and parking of vehicles on roads/footpaths in the ITPC Timarpur and direct the contractor for cleaning the parking area regularly so that hygienic conditions may prevail in the premises.
